September 14, 1983

The Honorable William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, DC 20505

Dear Mr. Casey:

As you know, the Subcommittee on Government Information, Justice, and Agriculture has been holding a series of hearings dealing with the relaxation of posse comitatus. In that regard, I request that you authorize subcommittee staff member Theodore J. Mehl to attend relevant meetings of the Central Intelligence Agency. I request that the level of security be high enough to insure a clear understanding of how the intelligence community might be helpful to Federal law enforcement agencies as well as reasons which may prevent certain assistance. I'm also interested in what mechanisms are in place for the transfer of drug related information, or those which are being considered.

Mr. Mehl presently holds a TK/SI clearance. [redacted]
[redacted] Inquiries or requests for
any further information may be directed to Mr. Mehl at
(202) 225-3741.

Sincerely,

Glenn English
Chairman
